NATURE'S ME, AND ALL THAT'S WITHIN IT, its "borders" not limiting me again. I'm power, less not; but what am i a'speaking of now? The great me that humble is, and knowing it, not "refrain'd" by men's minds'comments of me otherwise, seeking their "own" glory power and dominion over their "own" circumstances their "own" way; now have no effect on me at all.

2. This is just the beginning me, and sorrow takes its place no more along side me, my chosen frozen not any longer; boiling in hot oil, now, not; but "Africa" is, and AIDS virus rampant, there, and other places. A notme of this is, and rampant not shall be! I declare this! Equal –ly shall be me regardless of what's where and disease shall never be again!
